Old Business

The MAC has sent a letter to Merced County Public Works Director, Dana Hertfelder to ask for dialogue state and county agencies to mitigate the access and egress at GurrRoad and Highway 140

Update: Dana Hertfelder has replied that he will plan a meeting to accommodate our requests to discuss our concerns.

Zip Code Change. In an effort to build McSwain into its own identity and community the need for our own zip code could provide economic benefits as well as our plan to grow McSwain with balance and forethought. MccSwain can be an economic benefit to the county by maintaining high property values, low crime access to major freeways and highways and a great school district By building a community that reflects the the area, we can be assured that we have a voice of our own.

Senator Jim Costa's office(via Daniel Martinez) is assisting with the process.

The MAC spoke with the Atwater Postmaster(Joanna) who is preparing what needs to be completed in order to make the transition
