Infrastructure

Road Improvements-The MAC has created a five year plan to improve our roadways and deficiencies related to roads and Landscape and Lighting Districts.

Clean Up McSwain

We have asked to meet to discuss a regular clean up calendar for McSwain Public Works to follow. The MAC will also participate in the I Love Atwater Clean up day.

We are also in the process of creating a plan to assist 4-H members achieve benchmarks and badges.

The MAC has met with Public Works Director, Dana Hertfelder and have explained our goals. Dana is a supporter of the MAC and has evaluated our projects and will help as the Public works has the funds and abilities to help accomplish our goals.

Create a dialogue with MID to work on cleanliness of waterways.

Planning

The McSwain MAC will determine what the term: Rural Residential Center means to the MCSwain Community; how and where we fit in General Plan and what restrictions are brought upon us as residents, because we are designated an RRC versus a residential neighborhood.
