RE: Major Modification Application No. MM13-009 to Conditional Use
Permit No. CUP2714 (E&J Gallo)

Due to the lack of a quorum of Planning Commission members for this Agenda Item at the regularly scheduled September 25, 2013 meeting, the application was formally continued to the October 9th Planning Commission Public Hearing. There are no changes or modifications to the project, and Staff would request each Commissioner bring their Agenda Packet from the September 25th meeting for this Agenda item. If you do not have your full packet which includes the Staff Report with attachments and the separately bound Initial Study, please call Kim Anderson, Office Manager, at 385-7654, and we will get another packet delivered to you.
