Planning Commission Memo

October 4, 2016

Re: Conditional Use Permit No. CUP15-014 – Wickstrom Jersey Farms Expansion

Due to a noticing issue of the Initial Study/Mitigated Negative Declaration, Staff is sending out a Notice of Intent to property owners within three hundred feet of the project to give them the opportunity to comment on the environmental document. The comment period begins October 4, 2016 and ends October 24, 2016, to satisfy public noticing requirements in accordance with CEQA. As a result, Staff is recommending the Commission continue the item until the November 02, 2016 meeting.
