

MEL FIELD BK 147

I began at a point in the centre of the concrete pavement 30' south and 30' West of a 4 x 4" witness post at the South West corner of sec 2 $\frac{1}{2}$ and ran S 89° 51' E along the South boundary of sec 2

1319.1 found a 4 x 4" witness post on each side of the line 30' distant

2638.2 set 6 x 6" redwood post flush with ground for $\frac{1}{4}$ corner. I found decayed remains of old post 1-2 ft below ground.

2660.5 set 4 x 4" redwood post 3" above ground for East boundary of canal R of W. measured 156' west from this post. but found no stake, fence checked approximately.
