TO: Merced County Planning Commission

FROM: Robert A. Lewis, Development Services Director 

SUBJECT: Continuance of Minor Subdivision Application No. MS08-016 – Livingston Farmers Association.

The Planning and Community Development Department and County Counsel's Office is requesting that Minor Subdivision Application No. MS08-016 – Livingston Farmers Association be continued to the **September 10, 2008 Planning Commission Meeting**.

Prior to any recommendation to the Planning Commission on Minor Subdivisions, staff is prepared to present findings and report on the cumulative impact analysis of minor subdivision activity during a ten year period (1998-2008) to answer questions raised by the public and interested individuals in regards to any significant environmental impacts due to agricultural parcel land divisions.

Therefore, the department respectfully requests that this application for a minor subdivision be continued until after the staff presentation to the September 10, 2008 Planning Commission meeting. On Friday, August 22, 2008, the department did leave a message with the applicant's representative explaining this request.

Thank you.
