**MEMORANDUM**

**DATE:** June 16, 2010

**TO:** Planning Commission

**FROM:** Brian Guerrero, Planner II 

**SUBJECT:** Appeal of Administrative Application No. AA10-008

**Background/Analysis**

On April 12, 2010, Administrative Application No. AA10-008 was approved by the Hearing Officer to establish a concrete batch plant and recycling facility on a seven acre portion of a 24 acre parcel on Beachwood Drive in the Franklin-Beachwood area. On April 16, 2010, the Hearing Officer's decision to approve the project was appealed to the Planning Commission by San Joaquin et al. After careful consideration of the potential increase in time and costs associated with processing the application, Jim Brisco Enterprises has decided to withdraw their application. Based on this withdrawal, no action is required by the Commission. Attached is the applicant's official request to withdraw Administrative Application No. AA10-008.
